Abstracts

Ko te Mātauranga Māori he puna nō te katoa, he mea āta whakatipu hoki e ngā whānau, e ngā hapū, e ngā iwi hoki o tēnā, o tēnā o ngā whakareanga maha. He mātauranga nō te hapori, he mea āta whakatō hoki ki roto i ngā wheako o te ia rā, he mea awe ki te pūrakau, ki te waiata, ki ngā karangahanga whenua, te kani, ki te kawa, ki te whakapapa, ki te pūmahara, ki te hakakitenga, ki te matakite, ki te whakaakoranga me te tohu ītake, hei tirohanga, ka mutu he mea āta ako mā te tirohanga, ā tāngata kē atu rānei o te hapori. Tēnei mea te Mātauranga āori, he pūnaha whakatipu mōhiohio, he nukurau, he nanakia ō hoki, kua hangā mai ki te mātauranga ā-whānau, ā-hapū, wi anō hoki.

te whakatau tikanga, kei te whakamahere, kei te whakamahi i ētahi hunga tangata i te Mātauranga Māori, ka mutu kei ā ōna anō whaihuatanga. Ko te aho e whakakotahi nei i ngā ū kāwanatanga me ngā kaunihera ā-rohe, ko te whakaaro āngai pū ana te mātauranga Māori ki te Māori, he mea kahāngai hoki, ka mutu he rerekē i tēnā, i tēnā o ngā rohe. Ki nuinga o ngā hunga tangata, ko te whakapakarihia o ō rātou māramatanga ki te mātauranga Māori tētahi tino whāinga taki, kei reira hoki he āwhina i te ārahi whakataunga, i te ahaerenga, i te tikanga mātai anō hoki, me te takoha atu anakia e taea nei e te mātauranga Māori, kia waihangatia i he tatauranga tika mā tēnei whakareanga.

aha ngā kauwaka e kawe atu nei i tēnei mea i te Mātau- Māori. E kōrero nei ngā mana whenua i ō rātou hiahia ki kamahinga o ngā taputapu wāhi ā-nuku hei whakakitenga e mātauranga Māori i te taha o te raraunga pūtaiao, kia ohia ai ngā whakataunga ki ngā hua ā-taiao nei. I tēnei ka kōrerohia e mātou ko Takiwa, koia he Geo-spatial Vis- ion Tool e whakatakoto nei i te papa whakatū mō Takiwa e hāngai nei ki ngā kaupapa wāhi ā-nuku e toru. Kua nonga te taputapu ki ētahi kaitiaki, e tika ai te horopaki, o, me te whakahaere o te mātauranga Māori i tōna papa ū. He tino take ēnei i tēnei wā e aro pū nei ngā ohu kia nui ake te whakamahinga o te mātauranga Māori i ngā whakataunga. Ko te whāinga o ngā hononga kaitiaki ko te whakatinana ake i ngā mahere whakahaere mā roto anō i t whakamatihiko i ngā raraunga me ngā kōrero i ngā mahere, m te whakaatu i ērā i te taha o ngā raraunga pūtaiao. E whakama nei tēnei papa whakatū i ngā mana whenua mā roto i te whaka i ngā tohunga pūtaiao pēnei me te kounga, te nui rānei o te (te wāwahi rānei) i roto i te horopaki o te raraunga mātaura Māori, pēnei anō me ngā whenua hirahira ki te Māori me mahinga kai. Heoi, he take whakatū pihi te whakamahinga mātauranga Māori i ētahi wā, nō reira me whai whakaaro whakangungu i te mana, i te tūturu, i te ngākau tapatahi ā-a nei anō hoki o ngā hapori ka whai wāhi mai.

Mātauranga Māori is the shared intellectual genera whānau, hapū and iwi over multiple generations. It is com knowledge embedded in lived experience and carried in song, place names, dance, ceremonies, genealogies, me visions, prophesies, teachings and original instructions, a through observation and via other community members ranga Māori is a dynamic, innovative, and generative s knowledge constituted from mātauranga ā-whānau, mā ā-hapū, and mātauranga ā-iwi.

Mātauranga Māori is being defined, framed, and opera with varying success by a range of institutions. Th premise is that government agencies and regiona acknowledge mātauranga Māori as Māori-specific that is adaptive and regionally distinct. For most i improving their understanding of mātauranga Māo portant strategic aim that can help guide their decisi management, and monitoring procedures as well a to the innovative potential of Māori knowledge in or culturally appropriate data for this generation.

Mātauranga Māori is transmitted through a number Mana whenua are expressing interest in how geospa visualise mātauranga Māori alongside science da decision-making for environmental outcomes. In t discuss Takiwa, a geospatial visualisation tool the platform for Takiwa Lakes, in relation to thr
