and that desire has run dry
I won't pretend that I'm not cynical.
with mystify by my side
You and I were so caught up in denial.
wouldn't let me to stay.
I won't deny that your heart was formed in mine.
I'm sorry if I broke you, but I couldn't say good-bye
what do you want me to say?
what do you want me to say?
what do you want me to
