You don't often get email from roboticsandai.editorial.office@frontiersin.org. [Learn why this is important](#)

Dear Dr Dwivedi

Your article has been accepted for publication.

After a rigorous review, your work has been recognized for its quality and contribution to Robotics and AI

What happens next?

Your article will now enter the production phase, where our team will assist with typesetting and copyediting. This typically takes around 3-4 weeks. You'll receive updates from us, including billing or institutional funding information (if applicable).

If you have any unresolved queries, please use the chatbot to let us know before your manuscript's publication.

Please [fill in this short survey](#) to share your thoughts on your peer review experience. Your feedback helps us improve the process for other authors like you.

What could open science unlock for humanity?

While you're here, [watch this video](#) from our CEO and co-founder, Kamila Markram, reflecting on how the global transition to open science is accelerating scientific solutions for healthy lives on a healthy planet.

Thanks for choosing Frontiers. We hope to see you again soon.
