

INSTRUCTIONS:

It is recommended that these experiments be experienced in their original state but in case of technical issues a folder titled 'Videos' has been included with playthroughs of each of these projects.

These experiments require a Windows PC to run.

CONTROLS:

Fall Up, I Remember The Rain and Experiments In Space And Frame are all controlled using the arrow keys and the space bar.

Invisible Cities uses the W,A,S,D keys to move and the mouse to orientate the player.

All projects can be ended by pressing ESC

All experiments created by Jordan Browne
