

# Connections, working collaboratively and health workforce development

Associate Professor Bridgette Masters-Awatere  
Te Kura Whatu Oho Mauri – School of Psychology  
Te Wānanga o Ngā kete – Division of Arts, Law, Psychology, Social Sciences  
Te Whare Wānanga o Waikato – University of Waikato

30 August 2023

## Kaupapa Māori

## Kaupapa Pākehā

### Recent common approach in research

- Co-option of Mātauranga Māori
- Descriptors of Mātauranga Māori in plans/policy but not enacted
- Iwi/Mana Whenua not empowered

# He Pikinga Waiora Implementation Framework: Strategies for Co-Design of Health Interventions with Māori and Indigenous Communities

## Final pointers

- ▶ Draw upon the wisdom and contribution of those before who have created openings.
- ▶ Hold space that will allow opportunities.
- ▶ Wrap support around you and others alongside and behind you.
- ▶ Create pathways for those following.
